Schneider Laboratories Global Sample Storage Policy

Schneider Laboratories Global, Inc. (SLGi) agrees to hold all samples received for a maximum of 30 days. **Should the customer wish for SLGi to hold samples *beyond* this initial 30 day period, the customer must agree to pay a storage fee of \$50.00 per work order, per month.** Should sample storage no longer be required, the customer may choose to have the samples disposed of by SLGi (per their Disposal Policy), or to have the samples shipped back to their facility at their own expense.

Should extended storage be requested per this agreement, the customer will be notified by SLGi's Customer Services Department one week prior to the end of each 30 day period to discuss the customer's intentions for the samples in question.

If you have any questions or concerns about this agreement, please contact our Customer Services Department at 804-353-6778, ext. 23 or 27, or via e-mail at customerservices@slabinc.com.

By signing and dating below, the customer acknowledges understanding of, and agreement to, any and all terms described in this document.
